Forecast for Saturday 28 Oct 2023

Weather: Showers, perhaps heavy and thundery at first. Becoming drier and brighter for a few hours late morning to early afternoon, before further heavy rain spreads north from mid-afternoon. Chance of thunder, along with some brief gusty winds.

Chance of cloud-free hill tops above 600m: 30% in morning, becoming 80% for a while then 20% from mid-afternoon.

Low cloud and visibility: Occasional cloud on the tops at first above 400m, clearing for a while late morning onward, but becoming extensive again later in the afternoon. Mostly good visibility away from cloud but poor in early showers and becoming poor in afternoon as rain spreads north.
